

Dear Parent or Caregiver,

You are receiving this email because you have been identified as a parent or caregiver of an individual with Down syndrome. We would appreciate your participation in a survey about EGCG, or green tea extract, as a supplement for persons with Down syndrome. The purpose of this study is to find the attitudes toward and the extent of EGCG usage in individuals with Down syndrome.

The survey is found at: https://iu.co1.qualtrics.com/jfe/form/SV_5byohY1wzleFZk1

The survey should take no longer than 10 minutes to complete, and no personal identifying information will be collected. There are no known risks to participating in the survey, and you will not receive any compensation. All responses are confidential. If you have questions about the survey, please contact Randall J. Roper, Ph.D. using the information below. The Indiana University Institutional Review Board (IRB) has approved this survey as protocol number 1710755582. Thank you for your time and consideration of this survey.

Regards,

Randall J. Roper, Ph.D.
