

2025 GOLF CLASSIC SPONSORSHIP OPPORTUNITIES

The Down Syndrome Association of Central Ohio (DSACO) exists to support families, promote community involvement, and encourage a lifetime of opportunities for people with Down syndrome. We believe this can be achieved by providing families and people living with Down syndrome with meaningful, convenient, and unique opportunities to discover independence and to celebrate their achievements.

DSACO's Annual Golf Classic is set to take place on Monday, July 21, 2025, at the prestigious Country Club at Muirfield Village. This year's event promises to be a great day of golf, networking, and fun, all while raising awareness and funds for people with Down syndrome and their families. The tournament will feature a four-person scramble format with prizes awarded to the top teams, longest drive, closest to the pin, and more. With a beautiful course, great weather, and the chance to make a difference in the community, the DSACO's annual golf classic is a can't-miss event for any golf enthusiast or supporter of a great cause.
